Welcome to the 38th meeting of the Voorburg Group on Service Statistics held virtually by the Israel Central Bureau of Statistics (ICBS)

On 5, 7, 19, 21 March 2024

The virtual meeting replaces the physical meeting originally planned to be hosted by Statistics Israel in Tel Aviv

The primary objective of the Group is to establish an internationally comparable methodology for measuring the constant dollar outputs of the services industries. The focus of the Voorburg Group is to develop concepts, methods, and best practices in the areas of services.
